Dear Ms. Carrozza,

Please accept our sincere gratitude for your informative presentation on estate planning, asset protection and long term care planning at our Pre Retirement Seminar last week.

Our attendees this year have echoed the sentiments of our past audiences. The written evaluations we received showed that our employees were appreciative of the invaluable advice you had to offer. The recommendations you shared with them regarding how to protect their assets in case of incapacity was a significant contribution to our seminar. Your ability for making your subject matter so easy to understand truly makes you a pleasure to listen to.

We would like to extend our appreciation for your willingness to donate your time to our employees, and for the time and effort you put forth in preparing and delivering your presentation. We hope to see you again next year.

Sincerely,
